QUESTIONS AND ANSWERS FROM THE PRE-PROPOSAL MEETING FOR TASK ORDER SOLICITATION S-042 - PROGRAM AND CONSTRUCTION SERVICES SUPPORT FOR THE LOS ANGELES GROUNDWATER REPLENISHMENT PROJECT (LA GWR)

LA Sanitation and Environment (LASAN) is providing the questions and answers from the pre-proposal meeting held on March 13, 2025, for Task Order Solicitation S-042 – Program and Construction Services Support for the Los Angeles Groundwater Replenishment Project. Please also find the meeting participants list from that meeting.

Following questions were asked and documented during the Pre-Proposal Meeting.

zero waste • zero wasted water

AN EQUAL EMPLOYMENT OPPORTUNITY - AFFIRMATIVE ACTION EMPLOYER

1. Meeting participants list will be issued and / or uploaded to website?
 - Yes, the meeting participants list will be uploaded to RAMPLA for everyone's benefit
2. How long is the current assignment of existing Owner's Agent for the PDB projects? Would they be working in parallel with the selected entity under this Task Order? How does the scope of work for the current OA compare with this task order requirements?
 - The current Owner's Agent assignment is set to conclude on June 30, 2025, before the issuance of Task Order Solicitation (TOS) S-042. As a result, the selected entity under this task order will not work in parallel with the existing Owner's Agent. This task order solicitation includes a greater focus on construction management services, along with outreach and program management for the entire LAGWR program.
3. Could you clarify the page limit discrepancy in Section 5 (page 14), which states "twenty (50) pages"? Is the limit 20 or 50 pages?
 - The correct page limit is 50 pages.
4. Q&A will be uploaded?
 - Yes.
5. Are 11x17s allowed?
 - Yes.
6. We have a limit of \$7M fee, for a \$600M program, is the budget enough.
 - The allocated \$7.2 million is intended to support the consultant's role within the \$600 million program.
7. Are there specific cost concerns or value engineering targets that should inform our approach?
 - We will provide any relevant cost considerations or value engineering targets to the selected consultant upon award. Value engineering targets vary from project to project.
8. Will all firms have an equal opportunity to compete in this solicitation?
 - Yes, the evaluation process is structured to ensure a fair and competitive opportunity for all consultants.
