PROJECT DESCRIPTION

North Outfall Sewer (NOS) Rehabilitation Unit 33 – Magnolia Boulevard and Woodman Avenue (Re-Bid)

W.O. SZC14011

A rush hour exemption has been obtained for this project.

NOTICE TO BIDDERS

The bid documents for this project will be issued through the City of Los Angeles (CLA) Regional Alliance Marketplace for Procurement (www.RAMPLA.org). Refer to the section entitled “Bid Documents” in this “Project Description” for information on how to obtain these bid documents.

WORK DESCRIPTION

This project will rehabilitate approximately 2,232 feet of 51” and 3,663 feet of 39” clay tile-lined reinforced concrete semi-elliptical pipe with reinforced polymer mortar pipe (RPMP) by slip lining. The project involves constructing seven (7) access pits along the alignment to aid in cleaning and lining the NOS, installing one (1) new maintenance hole, removal and replacement of four (4) new maintenance holes including a new special transition structure, retrofitting and rehabilitating one (1) existing maintenance hole, and reconnecting eight (8) existing lateral sewers. This project also includes the work to install 2,784 feet of five (5) 8” Vitrified Clay Pipe (VCP) local sewers, the reconnection of forty-two (42) house connections along the project alignment to the new local sewers and constructing trap house connections. Furthermore, sewer bypassing along with traffic and odor control will be required as well as cleaning the pipe by removing the fallen tiles, debris and other obstructions and rehabilitation.

CONTRACTOR'S LICENSE CLASSIFICATION

At the time of bid, the contractor must possess a valid State of California Contractor's License Classification of "A".

ESCROW BID DOCUMENTS

All Bidders must abide by the requirements listed in the General Requirements, Section 01351 “Escrow Bid Documents,” including the timely submittal of the Escrow Bid Documents by the three low Bidders.

The Escrow Bid Documents shall be submitted to the Board of Public Works Office, by the three (3) low Bidders, in sealed containers, within forty-eight (48) hours after the time for receipt of Bids. The containers shall be clearly marked on the outside with the Bidder's name, date of submittal, project name and the words "Escrow Bid Documents."

BID DOCUMENTS

From the page for this project on the Regional Alliance Marketplace for Procurement (www.RAMPLA.org), click on each of the documents listed under “Scope of Work Documents and Standard Requirements Documents” near the bottom of the page to open each file and save it onto your computer. These are the documents you will use to submit your bid for this project. For questions about obtaining the bid documents from RAMPLA, email eng.plandist@lacity.org

PROJECT LABOR AGREEMENT

This project is subject to the provisions of the Department of Public Works Project Labor Agreement in Part IV of the Bid Proposal.

LOCAL BUSINESS PREFERENCE PROGRAM

This project is subject to the provisions of the City's Local Business Preference Program. Los Angeles Administrative Code Div 10, Chapter 1, Art 4, Sect 10.25 adopted the LBP Program which was designed to increase local employment and expenditures in the local private sector. All Bidders are eligible to participate in the LBP Program. The City shall grant a 6% bid reduction of their Bid amount solely for Bid evaluation purposes to those bidders who are certified as a Local Business Enterprise (LBE) firm. If the LBE is also a Local Small Business (LSB) and/or Local Transitional Employer (LTE), they may be granted an additional 2% reduction for each of those certifications, up to a total of 10%. The City shall grant a 10% bid reduction of their Bid amount solely for Bid evaluation purposes to those Bidders who are certified as a City Business Enterprise (CBE) firm. If the CBE is also a LSB and/or LTE, they may be granted an additional 2% reduction for each of those certifications, up to a maximum of 12%. Additionally, all non-LBE/CBE Bidders may be granted a 1% bid reduction of their Bid amount solely for Bid evaluation purposes, up to a maximum of 5%, for every 10% of their bid that is to be performed by a LBE, CBE, LSB and/or LTE subcontractor.
