INVITATION FOR BIDS FOR PURCHASE OF GOODS****I. INTRODUCTION****A. Profile**

The Housing Authority of the City of Los Angeles (“HACLA”) was established in 1938 by City of Los Angeles Resolution No. 1241 and has since grown to become one of the nation’s largest and leading public housing authorities, providing the largest supply of quality affordable housing to residents of the City of Los Angeles. HACLA currently owns and manages a citywide portfolio of 9,405 housing units, administers monthly housing assistance payments for more than 58,000 families, and provides a wide range of programs and services.

HACLA’s funds are derived from five main sources: HUD’s annual operating subsidy, HUD’s annual public housing Capital Fund, Section 8 rental subsidies, rents from HACLA’s public housing units, and other public (federal and non-federal) and private sources. HACLA’s annual budget exceeds \$1 billion.

HACLA awards contracts for goods only to responsible, qualified prospective bidders who are in good standing with HACLA. A responsible bidder is one who meets the following standards: (i) has a satisfactory record of business integrity and has demonstrated the attribute of trustworthiness; (ii) has adequate financial resources, or the ability to obtain such resources as required during performance of the contract; (iii) is able to comply with the required or proposed delivery or performance schedule, taking into consideration all existing business commitments; (iv) has a satisfactory record of performance; (v) is otherwise qualified and eligible to receive an award under applicable laws and regulations; (vi) has the necessary organization, experience, operational controls, and technical skills, or the ability to obtain them; and (vii) has the necessary production, construction, and technical equipment and facilities, or the ability to obtain them.

All bidders are required to complete and submit the Vendor Responsibility Questionnaire, attached hereto as Exhibit C, which will be used to evaluate a bidder's strength, stability and integrity as a business concern, including its record of compliance with labor, health and safety regulations. Bidder responsibility will also be evaluated by examining a variety of resources, such as bidder registration documents, state and federal lists of debarred, suspended or ineligible businesses or individuals, commercial credit rating reports, business references, and documented past performance on contracts with HACLA.

The apparent lowest bidder(s) may be required, before the award of any contract, to show, to the complete satisfaction of HACLA, that it has the necessary facilities, ability, experience, and financial resources to satisfy contractual requirements. HACLA may make reasonable investigations deemed necessary and proper for such determination and the bidder shall furnish HACLA all information requested for this purpose.

E. Interest in More Than One Bid

Unless HACLA provides otherwise, no person shall be permitted to submit or have an economic interest in more than one bid for this project. A person may submit a price to more than one bidder as a subcontractor or materials supplier without violating this prohibition.

F. Diversity Outreach

1. Policy Statement. It is the policy of HACLA to contract with Minority Business Enterprises (MBEs), Women's Business Enterprises (WBEs) and Labor Surplus Area (LSAs) businesses for the delivery of goods and services to the extent possible. This action is consistent with the mandates of Title VI of the 1964 Civil Rights Act, Executive Order 11625, Attachment 'O' of the Office of Management and Budget (OMB) Circular A-102, and in support of Executive Directive 2001-26, issued by the Office of the Mayor.

//

2. **Definitions.** "Minority Business Enterprise" means a certified business that is at least 51% owned and controlled by one or more minority group members, or, in the case of a publicly owned business, one for which at least 51% of its voting stock is owned by one or more minority group members, and whose management and daily business operations are controlled by one or more such individuals. Minority group members include, but are not limited to, African/Black Americans, Hispanic/Latino Americans, Native Americans, Asian Pacific Americans, Asian Indian Americans and Hasidic Jewish Americans. "Women Business Enterprise" (WBE) means a certified business that is at least 51% owned and controlled by one or more women, or, in the case of publicly held corporation, 51% of the stock is owned by one or more women and whose management and daily business operations are controlled by one or more such individuals. "Labor Surplus Area" (LSA) business means a business which, together with its immediate subcontractors, will incur more than 50% of the cost of performing the contract in an area of concentrated unemployment or underemployment. For more information on labor surplus areas, including a listing of local labor surplus areas, please see HACLA's page at <http://www.hacla.org/mbewbe>.

3. **Good Faith Efforts.** Bidders are required to make sufficient "good faith" efforts to help HACLA achieve its anticipated levels of participation by conducting outreach to MBEs, WBEs and LSAs for subcontract or supply opportunities related to this contract, to the extent possible. All bidders are required to complete and submit with their bids the Declaration of Compliance with Vendor Diversity Outreach Requirements, attached hereto as Exhibit D, which documents outreach efforts.

G. Bidder's Certification Regarding Organizational Conflicts of Interest

Any individual or business who provided services relating to studies or specifications prepared for this solicitation is not eligible to compete for this work. To learn more, see the Organizational Conflicts of Interest section of HACLA's Procurement Policy, which may be viewed at www.hacla.org/forms.

By the submission of a Bid, bidder certifies to the following:

1. That to the best of his/her/its knowledge and belief and except as otherwise disclosed, it does not have any organizational conflict of interest, which is defined as a situation in which the nature of work to be performed under the Contract and the bidder's organizational, financial, contractual, or other interests may, without some restriction on future activities: (i) result in an unfair competitive advantage to the bidder; or, (ii) impair the bidder's objectivity in performing the Contract.

2. That to the best of his/her/its knowledge and belief and except as otherwise disclosed, there exists no actual or potential conflict of interest between the bidder's business or financial interests and the services to be performed under the Contract, or relating to any financial interest, business or employment relationship with any commissioner, officer, employee, or agent of HACLA.

//

3. Bidders who are unable to certify to the above are not eligible for award of the subject Contract.

H. Bidder's Certification of Eligibility

1. By the submission of a bid, bidder certifies that to the best of its knowledge and belief, neither it, nor any person or firm which has an interest in the bidder's business, nor any of the bidder's subcontractors, is ineligible to: (i) be awarded contracts by any agency of the United States Government, or the State of California; (ii) participate in programs of the U.S. Department of Housing and Urban Development (HUD) pursuant to 24 CFR Part 24; or (iii) perform work on a public works project pursuant to California Labor Code Sections 1777.1 or 1777.7.

2. The certification in the foregoing paragraph is a material representation of fact upon which reliance was placed when making award. If it is later determined that the bidder knowingly rendered an erroneous certification, the Contract may be terminated for default, and the bidder may be debarred or suspended from participation in future HACLA procurements, HUD programs and other Federal contract programs.

IV. HUD ACT OF 1968 (SECTION 3) APPLICABILITY AND COMPLIANCE

A. Section 3 Applicable

Section 3 of the Housing and Urban Development Act of 1968¹ ("Section 3") provides that economic opportunities, most importantly employment, generated by certain U.S. Department of Housing and Urban Development ("HUD") financial assistance must be directed to low- and very low-income persons, particularly those who are either recipients of government assistance for housing or residents of the community in which the Federal assistance is spent.

This solicitation and the resulting contract will be funded using federal financial assistance (operating and capital funds) and is subject to HACLA's Section 3 Policy and Compliance Plan, which is available for viewing at www.hacla.org/section3.

B. Section 3 Documentation

Bidders must complete and submit with their bids the Section 3 Economic Opportunity Plan (EOP) and Section 3 Business Concern Self-Certification forms included at Exhibit F. Failure to complete all information and/or submit all pages of the EOP may result in a finding that the bid is non-responsive. (PDF fillable version available at www.hacla.org/forms, see Section 3 Exhibit – PH Funding).

//
//

¹ Section 3 is codified at 12 U.S.C. 1701u, as amended, and implemented at 24 CFR Part 75.

Within five calendar days issuance of the Notice of Apparent Awardee, the apparent lowest responsive and responsible bidder shall also submit completed Section 3 Economic Opportunity Plan (EOP) and Section 3 Business Concern Self-Certification forms for each subcontractor identified in the EOP. Section 3 requirements apply to all tier subcontractors equally, with the exception of material-only subcontractors. It is the responsibility of the prime to impose, monitor and report their Section 3 achievements to HACLA. Failure to submit completed forms for each listed subcontractor within the time provided above may result in a finding that the bid is non-responsive.

V. BUILD AMERICA, BUY AMERICA ACT APPLICABILITY AND COMPLIANCE

A. Build America, Buy America Act

The awarded Contract is subject to the Build America, Buy America Act (“BABA”), which was enacted as part of the Infrastructure Investment and Jobs Act (IIJA), Pub. L. 117-58, and signed into law on November 15, 2021. BABA establishes a domestic content procurement preference (the “Buy America preference” or “BAP”) for all iron, steel, manufactured products, and construction materials (collectively, “Covered Materials”) incorporated into infrastructure projects receiving federal financial assistance - including housing projects - and is intended to bolster America’s industrial base, protect national security, and support high-paying jobs. Additional information regarding BABA may be found at: https://www.hud.gov/program_offices/general_counsel/build_america_buy_america.

With limited exceptions, all Covered Materials purchased under the Contract must be produced in the United States, including Covered Materials installed by any subcontractors or provided by any supplier.

B. BABA Compliance

Upon the awarded Contractor’s receipt of a Job Order that requests the purchase and delivery of Covered Materials, prior to consummating the purchase of those Covered Materials on HACLA’s behalf, Contractor shall prepare, execute and submit to HACLA a completed Certification of Product Compliance with the Build America, Buy America Act (“BABA Certification”), the form of which is included at Exhibit I of this IFB. If Contractor is unable to execute a BABA Certification for one or more Covered Materials, Contractor shall immediately notify HACLA and suspend further processing of purchases under the Job Order. In such instances, HACLA may elect to terminate this Contract, modify the Job Order to remove the Covered Materials, secure a waiver from the Department of Housing and Urban Development (“HUD”) and the Office of Management and Budget (“OMB”) as may be required, and/or work with Contractor to source BABA compliant Covered Materials.

Other BABA compliance requirements are set forth at Section 14 of the proposed Contract, which is included at Exhibit I of this IFB.

//

B. Use of Brand Names

C. Substitution of Named Brand, Make and/or Manufacturer

Bidders may submit alternate proposals of the specified brand, make or manufacturer (i.e., an "or equal" substitution). Bidders are responsible for clearly and specifically identifying the product being offered and for providing sufficient descriptive literature, catalog cuts and technical data to enable HACLA determine if the product offered meets HACLA's requirements. Failure to furnish adequate data for evaluation purposes may result in declaring the bid non-responsive. Unless the bidder clearly indicates in its bid that the product offered is an equivalent product, such bid will be considered to offer the specific brand, make or manufacturer named herein.

Any substitution that HACLA, in its sole discretion, determines to be the equivalent of that specified, considering quality, performance, economy of operation, and suitability for the purpose intended, will be accepted.

D. Bid Contents, Submission and Receipt

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

(b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, HACL A shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

(a) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply in the case of-

(i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.

(ii) Any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(b) For purposes of subdivision (b)(ii)(2)(a) of clause, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by subdivisions (b)(ii)(2)(a)(1) and (2) of this section are permitted under this clause.

(iii) Selling activities by independent sales representatives.

(c) The prohibition on the use of appropriated funds, in subparagraph (b)(i) of this clause, does not apply to the following selling activities before an agency by independent sales representatives, provided such activities are prior to formal solicitation by an agency and are specifically limited to the merits of the

matter:

(i) Discussing with an agency (including individual demonstration) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and

(ii) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) Agreement. In accepting any contract, grant, cooperative agreement, or loan resulting from this solicitation, the person submitting the offer agrees not to make any payment prohibited by this clause.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

25. Minority/Women's Business Enterprises. The Contractor shall make a good-faith effort to assist HACLA in meeting its anticipated levels of participation for minority business enterprises ("MBEs") and women's business enterprises ("WBEs") in HACLA's contracts. It is the policy of HACLA that minority business enterprises and women's business enterprises shall have maximum opportunity to participate in the performance of this Contract. The Contractor agrees to assist HACLA in meeting its anticipated levels of participation by conducting outreach to MBEs and WBEs to ensure that these businesses have the maximum opportunity to compete for, and perform in, the Contract.

26. Equal Employment Opportunity.³² During the performance of the Contract, the Contractor agrees as follows:

(a) The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity or national origin.

(b) The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity or national origin. Such action shall include, but not be limited to (1) employment; (2) upgrading; (3) demotion; (4) transfer; (5) recruitment or recruitment advertising; (6) layoff or termination; (7) rates of pay or other forms of compensation; and (8) selection for training, including apprenticeship.

³² General Conditions, clause 16

(c) The Contractor shall post in conspicuous places available to employees and applicants for employment the notices to be provided by the Contracting Officer that explain this clause.

(d) The Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the Contractor state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity or national origin.

(e) The Contractor shall send, to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, the notice to be provided by the Contracting Officer advising the labor union or workers' representative of the Contractor's commitments under this clause, and post copies of the notice in conspicuous places available to employees and applicants for employment.

(f) The Contractor shall comply with Executive Order 11246, as amended, and the rules, regulations, and orders of the Secretary of Labor.

(g) The Contractor shall furnish all information and reports required by Executive Order 11246, as amended and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto. The Contractor shall permit access to its books, records, and accounts by the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(h) In the event of a determination that the Contractor is not in compliance with this clause or any rule, regulation, or order of the Secretary of Labor, the Contract may be canceled, terminated, or suspended in whole or in part, and the Contractor may be declared ineligible for further Government contracts, or federally assisted construction contracts under the procedures authorized in Executive Order 11246, as amended. In addition, sanctions may be imposed and remedies invoked against the Contractor as provided in Executive Order 11246, as amended, the rules, regulations, and orders of the Secretary of Labor, or as otherwise provided by law.

(i) The Contractor shall include the terms and conditions of this clause in every subcontract or purchase order unless exempted by the rules, regulations, or orders of the Secretary of Labor issued under Executive Order 11246, as amended, so that these terms and conditions will be binding upon each subcontractor or vendor. The Contractor shall take such action with respect to any subcontractor or purchase order as the Secretary of Housing and Urban Development or the Secretary of Labor may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided that if the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

27. Performance Evaluation. All multi-year contracts are subject to annual performance reviews; contracts of one year or less may be subject to performance reviews. Performance evaluations are performed in accordance with the applicable Contractor Evaluation Form, copies of which are available at www.hacla.org/forms. Contractor understands and agrees that HACLA may rely upon completed

Contractor Evaluation Forms in assessing Contractor's qualifications, responsibility and ability to perform on future contracting opportunities with HACLA and that an over-all assessment of "Unsatisfactory" may result in Contractor's disqualification or debarment from future contracting opportunities with HACLA.

28. Underlying Indemnity and Insurance. Contractor shall be responsible for requiring indemnification and insurance as it deems appropriate from its consultants, agents and Subcontractors, if any, to protect the Contractor's and HACLA's interests, and for ensuring that such persons comply with any applicable insurance statutes. Contractor shall provide HACLA with proof of compliance with this provision upon demand.

Training and Employment Opportunities for Residents in the Project Area (Section 3, HUD Act of 1968; 24 CFR 135).³³ (a) The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

(b) The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 75, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 75 regulations.

(c) [Service Provider] agrees to send to each labor organization or representative of workers with which [Service Provider] has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of [Service Provider]'s commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 prioritization requirements, and shall state the minimum percentages of labor hour requirements established in the Benchmark Notice (FR-6085-N-04).

(d) [Service Provider] agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 75, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 75. [Service Provider] will not subcontract with any subcontractor where [Service Provider] has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 75.

(e) Noncompliance with HUD's regulations in 24 CFR Part 75 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
